

Graphene Roadmap of Korea and STANDARD GRAPHENE's Products

Lee Jung-Hoon, CEO, STANDARD GRAPHENE

This speech has divided into 3 different topics. Firstly, STANDARD GRAPHENE will be talking about the graphene roadmap of Korean government. Secondly, we will briefly talk about STANDARD GRAPHENE, what it is and what it does. And lastly, we will be giving personal thoughts on some of the challenges and future directions of the Graphene industry. Compared to all other speeches given throughout this conference, this speech will not be as technical but it will be more concentrated on commercial point of view.
