

## Laboratory Technician in biocatalysis

CIC biomaGUNE, San Sebastian, Spain

### Job Full Description:

One 9-months technician position is available in the framework of the ERC-Co european project METACELL GA n° 818089 focused on the assembly of multi-enzyme systems for biotechnological applications.

The tasks of the technician involve:

1. Development of site-directed mutagenesis methods.
2. Protein expresión and purification
3. HPLC and GC-MS analysis

The project will be carried out at the heterogeneous biocatalysis laboratory of **CIC biomaGUNE** under the supervision of Dr. Fernando López Gallego. CIC biomaGUNE is a vibrant multidisciplinary and international research institute located at San Sebastian, Spain

**Required Education Level:** Candidates should have a Master degree in Molecular Biology, Biotechnology or a related discipline

**Required Skills/Qualifications:** We are looking for candidates with at least 2-years' experience in molecular biology laboratories. Skills in HPLC and GC analysis are highly desirable. The candidates are expected to have interest in multidisciplinary work, and the capacity to work in an international environment. Good interpersonal skills as well as written and oral communication skills in English are required.

**Project Funding:** ERC-Co european project METACELL GA n° 818089

**Type of Contract and duration:** full time contract with a duration of 9-months non renewable.

**Envisaged Job Starting Date:** May 1<sup>st</sup>, 2021

**Application Deadline:** April 1<sup>st</sup>, 2021

**How to Apply:** Please submit your application with a motivation letter stating why you are interested in this position, your CV, the contact details of two academics who can provide a reference using [this form](#) indicating as Job Offer Code 304

**Equal opportunities Policy:** CIC biomaGUNE is proud to be an equal opportunity employer and applicants will receive consideration for employment without regard to: age, color, disability, gender, national origin, race, religion, sexual orientation, gender identity, or any other classification protected by European, national, or local law.
