

# nanoscience & nanotechnology Spain pavilion

## Meet us at stands no. 126, 130, 225 & 229 and find your partner...

- Nanoscience & Nanotechnology
- Characterization & biofunctionalization of nanoparticles
- Advanced Materials

- Research & Technology Development in all fields of knowledge

- Project Management

- Cutting-edge material science
- Conference Organization
- Nanoclay-based additives

*Don't miss our presentation at The Forum for market opportunities of nanoproducts on October 7 between 11:30am and 1:30pm - Hall 1, Area D*

Participating Companies/Institutions:

NANOMAC

PROYECTO ESTRUCTURANTE EN  
NANOCIENCIA, NANOTECNOLOGÍA  
Y MATERIALES AVANZADOS

Funding Agencies:

españa,  
technology  
for life.

UNIÓN EUROPEA

FONDO EUROPEO DE  
DESARROLLO REGIONAL

UNA MANERA DE HACER EUROPA

Coordinator:
