

November 08-09, 2016 - Kuala Lumpur, Malaysia

## Participate in the development of Malaysia's National Graphene Action Plan 2020

Madrid (Spain) October 10, 2016

Kuala Lumpur will host the 1<sup>st</sup> edition of Graphene Malaysia International Conference ([www.graphenemalaysiaconf.com](http://www.graphenemalaysiaconf.com)): 08-09 November, 2016.

The **Graphene Malaysia 2016** ([www.graphenemalaysiaconf.com](http://www.graphenemalaysiaconf.com)) is jointly organized by NanoMalaysia Berhad and Phantoms Foundation. The conference will be centered on graphene industry interaction and collaborative innovation. The event will be launched under the **National Graphene Action Plan 2020 (NGAP 2020)**, which will generate about 9,000 jobs and RM20 (US\$4.86) billion GNI impact by the year 2020.

First speakers announced:

**Murni Ali** (Nanomalaysia, Malaysia) | **Francesco Bonaccorso** (Istituto Italiano di Tecnologia, Italy) | **Antonio Castro Neto** (NUS, Singapore) | **Antonio Correia** (Phantoms Foundation, Spain) | **Pedro Gomez-Romero** (ICN2 (CSIC-BIST), Spain) | **Shu-Jen Han** (Nanoscale Science & Technology IBM T.J. Watson Research Center, USA) | **Kuan-Tsae Huang** (AzTrong, USA/Taiwan) | **Krzysztof Koziol** (FGV Cambridge Nanosystems, UK) | **Taavi Madiberk** (Skeleton Technologies, Estonia) | **Richard Mckie** (BAE Systems, UK) | **Pontus Nordin** (Saab AB, Saab Aeronautics, Sweden) | **Elena Polyakova** (Graphene Laboratories Inc., USA) | **Ahmad Khairuddin Abdul Rahim** (Malaysian Investment Development Authority (MIDA), Malaysia) | **Adisorn Tuantranont** (Thailand Organic and Printed Electronics Innovation Center, Thailand) | **Archana Venugopal** (Texas Instruments, USA) | **Won Jong Yoo** (Samsung-SKKU Graphene-2D Center (SSGC), South Korea) | **Hongwei Zhu** (Tsinghua University, China)

Further speakers will be announced soon

The deadline to send abstracts (poster request) is October 21, 2016.

Several exhibition opportunities are available and some companies already book their spot.

More info here: [www.graphenemalaysiaconf.com/NM16/exhibitorsinfo.php](http://www.graphenemalaysiaconf.com/NM16/exhibitorsinfo.php)

**Exhibitors confirmed:** RGS Corporation Sdn Bhd, Aseptec Sdn Bhd, Anton Paar Malaysia Sdn Bhd, LabAlliance Sdn Bhd, Quasi-S Technology, Metrohm (Malaysia) Sdn Bhd, ANEXUS, Nexus Analytics Sdn Bhd and Malaysian Investment Development Authority (MIDA) and Designex 3D Sdn Bhd.

The conference will feature a plenary session and extensive thematic workshops (Graphene production / Applications of graphene and related materials / Metrology, characterization and standardization / Funding & infrastructure support).

**ORGANIZERS:** NanoMalaysia Berhad | Phantoms Foundation

**SUPPORTED BY:** Ministry of Science, Technology and Innovation (MOSTI) | Ministry of International Trade and Industry (MITI)

**STRATEGIC PARTNERS:** National Graphene Action Plan 2020 (NGAP2020) | National Innovation Agency of Innovation (AIM) | Malaysian Investment Development Authority (MIDA)
